technology
and
innovation

UX Community

Grow Ohio's economy through technology and innovation

Innovative Experiences for their Users

UX Capabilities

Professionalization

Career Awareness

UX Community

Topics to Discuss (together and/or in breakouts)

UX Communities: Who are the leaders & what is each community planning?

OhioX: What is OhioX doing?

Career Awareness: What we are doing for Ohio Tech Day (for example)?

UX Capabilities: Which Ohio-based companies are exceling?

Professionalization: What can we do as a state: body of knowledge, curriculum, certification, etc.?

Humane tech hub: What are our social responsibilities?

Something else?

Thanks! Stay in touch....

Look for email follow-up for specific ways to get involved in Roundtable initiatives

Volunteer as an individual

Commit your organization
